

REMARKS

As noted in the Remarks to the previous response, it was intended that claim 17 be amended to incorporate limitation of claim 21 describing the operation of cam surface in lifting the sliding contacts apart per Figs. 9, 10 and 11. Through word processor error, line from amended claim 17 was deleted and that this deletion was only partially corrected by the examiner's amendment. It is believed that the currently amended claim 17 provides the complete amendment intended by the Applicant and previously discussed with the Examiner. Because this amendment has a narrowing effect it is believe it is appropriate as an amendment after allowance.

In light of these comments and amendments, it is believed that claims 11-14, 16-19, and 22-24 are now in condition for allowance and allowance is respectfully requested.

The Commissioner is hereby authorized to deduct any fees arising as a result of this or any other communication from Deposition Account 50-1170.

Respectfully submitted,

KENYON A. HAPKE
